

**CHRISTIAN
COLLEGE**
G E E L O N G

Diesel Mechanic

A full time position is available at the Highton Bus Depot for a suitably qualified and experienced Diesel Mechanic to join our College Bus Maintenance staff.

Successful applicants will possess a good rapport with all age groups, demonstrate Christian values, and be able to work with a dedicated team of Christian College staff.

The ability to work within a professional team and acceptance of responsibility for all facets of preventative maintenance is required. This involves repair of heavy rigid vehicles including hydraulics, servicing and welding.

Applicants should also have basic computer skills and exhibit a high attention to detail and safety. A Heavy Rigid Driver's Licence is desirable.

Written applications giving details of qualifications, experience and including a character referee should be forwarded to:

Peter Hayes

Fleet Manager

18 Burdekin Road, Highton. Vic. 3216
