

Trip to East Timor November 2015

Due to plans for the East Timor Committee to help renovate our Sister School Calixia in Viqueque in 2016, I am planning a final trip to ET to speak to the members of the Education Department in Dili concerning their plans for the Calixia School in the future. After these discussions in Dili, we will be visiting Viqueque to arrange building materials and contractors for next year.

The trip timetable will be as follows, however, these dates are subject to availability of flights.

Sunday	November 29 th	Fly to Darwin
Monday	November 30 th	Darwin to Dili
Tuesday	December 1 st	Drive to Viqueque
Wednesday	December 2 nd	Viqueque
Thursday	December 3 rd	Viqueque
Friday	December 4 th	Viqueque
Saturday	December 5 th	Viqueque
Sunday	December 6 th	Viqueque
Monday	December 7 th	Drive to Dili
Tuesday	December 8 th	Fly Dili to Darwin and Darwin to Melbourne.

The cost of the trip will be inclusive of airfares, vehicle hire, bus to and from the airports, food whilst in ET and accommodation both in Dili and Viqueque.

As the trip dates generally fall outside university calendar dates, this is an opportunity for many past students who have been to East Timor before who may like to visit again. This does not prohibit other people (including parents) who may wish to see the "works" we are involved in over in Viqueque.

Details

- The cost of the trip will be \$2400
- Leaving on 29th of November - Returning 8th December
- Only 12 places are available

Please email me by 9th October if you wish to be considered so flights and accommodation can be booked. You must also have a current passport as this is an international flight.
